Jyoti Vihar, Burla.

Sub: Regarding amendment of 5 yrs. BBALL.B. (H) Course.

Respected Sir,

Some flaws in BBALL.B. (H) Course Examination Regulation placed before you and need amendment.

Regulation Amending Committee vide resolution no.10796(7)/Acd-I dt.28.11.2015, for the First Semester, the academic session 2015-16 amended that, Paper-VI (Business Mathematics and Statistics) is changed and Legal Ethos and Value has been introduced. But it was communicated at the month of December 2015 at the end of the semester session, by the time Mathematics was taught. Accordingly students have appeared Business Mathematics and Statistics as Paper-VI. University conducted the Examination and result was published.

So, I request you for the academic session 2015-16 instead of Legal Ethos and Value as Paper-VI, Business Mathematics and Statistics be treated as Paper-VI.

In the 5<sup>th</sup> semester Paper-VII Research Methodology and Project work, distribution of marks may be divided into 50 marks for Theory and 50 marks for Project work from the Academic Session 2018-19 instead of 80+20 marks.

In view of this circumstances kindly take necessary steps to amend the above at your end.

With regards

Yours faithfully,
