Introduction of University:

Sambalpur University was established in the year 1967 as a State University of Government of Odisha. It is spread over a sprawling campus having 670 acres of green land. Besides this campus which is situated at JyotiVihar, Burla, there are two constituent colleges of Sambalpur University, namely, LR Law College which was established in 1965 which run Law Courses and another one is Sambalpur University Institute of Information Technology (SUIIT) which runs Computer Science and Engineering courses respectively. The University is already NAAC 'A' Grade accredited and is in the process of third cycle of accreditation and we are hopeful to get 'A+' grade this year. The University is having 25 teaching departments on campus like Department of Anthropology, Department of Business Administration, Department of Chemistry, Department of Comp. Sc. & Application, Department of Earth Science, Department of Economics, Department of English, Department of Environmental Science, Department of History, Department of Home Science, Department of Law, Department of Lib. & Inf. Science, Department of Life Science etc. Sambalpur University is also ISO certified University having ISO 9001:2015 Certification as Quality Management System.

Internal Quality Assurance Cell (IQAC)

Since quality enhancement is a continuous process, the IQAC is a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. All efforts and measures of the institution towards promoting its holistic academic excellence. Sambalpur University has started the functioning of its IQAC in 2011. IQAC is a facilitative and participative voluntary organ of the institution. IQAC has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality. This proposed seminar is one of the major initiatives of IQAC towards internalization of quality culture and institutionalization of best practices.
