Overview of the Program

Sambalpur University, Odisha invites participants to join in the 2nd National Summer internship program on Sustainable Tribal development, going to be organized by the Research Centre of Excellence Regional Development and Tribal Studies (RCOE-RDTS), Sambalpur University, Odisha. We encourage students to participate in this internship program to enhance their research knowledge and acquire practical skills in the field of sustainable tribal development.

The principal objective of Centre Excellence is to document the socio-economic and cultural indicators to measure the tribal vulnerability, prevalence of chronic diseases, practices of traditional knowledge systems, address the issues of migration and human trafficking in Western Odisha

Odisha State Higher Education Council

Research Centre of Excellence Regional Development and Tribal Studies

Funded by the Odisha State Higher Education Council (OSHEC), the Research Centre of Excellence Regional Development and Tribal Studies (RCOE-RDTS), Sambalpur University, Odisha is addressing various tribal issues such as; livelihood opportunities, distress migration, human trafficking, intangible cultural practices and prevalence of chronic diseases. During the last five years, the Research Centre of Excellence has documented and preserved four tribal and folk dances of Western Odisha. The Centre has also conducted numerous ethnographic studies on various tribes and PVTGs of Western Odisha and has organised numerous seminars and workshops. The Centre of Excellence has identified new challenges related to migration, health issues and cultural practices embedded in traditional dietary practices.
