Invitation

*The School of Chemistry, Sambalpur University takes the privilege of organizing a One Day Seminar on “**Nobel Prize**” every year. The idea of organizing the Nobel Prize Seminar is to disseminate outstanding contributions made by the Nobel Laureates in the fields of Chemistry, Economics, Literature, Peace, Physics, and Physiology or Medicine among the Teachers as well as Students Community of the University. Experts in the respective field speak on the Nobel Prize winning work of the Nobel laureate(s) of that year in the Seminar. This year's “**Nobel Prize-2021**” Seminar has been scheduled to be held online through Google Meet on **22nd January 2022 (Saturday) at 9.45 A.M.***

On behalf of the School of Chemistry, I have the pleasure to invite you to attend the Nobel Prize Seminar-2020 using the web link:
